In The

Fourteenth Court of Appeals

NO. 14-00-00455-CR

CORY SPENCER LATTE, Appellant

V.

THE STATE OF TEXAS, Appellee

**On Appeal from the County Criminal Court at Law No. 10
Harris County, Texas
Trial Court Cause No. 9932773**

OPINION

On August 17, 2000, this court issued an order directing the trial court to hold a hearing to determine why appellant, who is not represented by counsel, had not paid or made arrangements to pay the reporter's fee to prepare the reporter's record. The trial court held the hearing on August 25, 2000, and made written findings. The trial court found that appellant is not indigent, and that appellant desires to dismiss his appeal. An affidavit signed by appellant is included in the supplemental clerk's record with the trial court's findings, and in this affidavit, appellant states that he does not wish to pursue his appeal and he asks that his appeal be dismissed.

Based on the affidavit of appellant and the trial court's finding, we determine that appellant seeks to dismiss his appeal. Because this Court has not delivered an opinion, we grant appellant's request.

Accordingly, we order the appeal dismissed. We direct the Clerk of the Court to issue the mandate of the Court immediately.
