OPINION

This is an appeal from a final judgment signed September 30, 1998.

On November 10, 1999, the parties filed a joint and agreed motion to reverse and render judgment pursuant to a settlement agreement. See TEX. R. APP. P. 42.1. The parties also jointly move this Court to release the principal and all sureties from any obligation on the supersedeas bond filed in the trial court. The motion is granted.

Accordingly, the judgment is reversed, the jury's findings adverse to appellants are vacated, and we render judgment that appellee take nothing. The principal and all sureties are released from any obligation on the supersedeas bond filed in the trial court. All costs of the appeal and in the trial court shall be taxed against the party incurring the costs.
