TEMPORARY FORENSIC ANALYST LICENSE
APPLICATION CERTIFICATION FORM

The Commission may issue a temporary Forensic Analyst License to an individual who performs forensic analysis primarily for non-Texas cases. A temporary forensic analyst license covers one criminal action for a three-year period. If the criminal action for which the temporary forensic analyst license was originally granted has not yet been resolved upon the expiration of three years from the date the license was granted, the temporary licensee may apply to the Commission to extend the license for a supplemental one-year term or terms using this same form and by checking the box below. An applicant for a temporary forensic analyst license is not required to apply for more than one temporary license for the forensic analysis performed in criminal actions for which multiple defendants may be charged with a criminal offense or offenses related to the same event. An applicant for a temporary forensic analyst license must submit to the Commission a signed copy of this form and upload it to his/her application in TopClass and pay the required fee of \$100.00.

Please check this box if you are applying for a one-year extension to a temporary forensic analyst license already granted by the Commission.
