

COVID-19 Operating Plan for the Scurry County Judiciary

Recognizing the need to ensure the health, safety and peace of mind of litigants, attorneys, visitors, court staff, judges, and other individuals entering the Scurry County Courthouse, the 132nd District Court of **SCURRY COUNTY, TEXAS** and the County Court of **SCURRY COUNTY, TEXAS** will implement the following protective measures:

General

1. All judges will comply with the Emergency Orders issued by the Supreme Court of Texas and Court of Criminal Appeals, including conducting in-person proceedings according to the guidance issued by the Office of Court Administration regarding social distancing, maximum group size, and other restrictions and precautions.
2. All judges will use all reasonable efforts to conduct proceedings remotely.
3. The local administrative district judge will maintain regular communication with the local health authority and county judge, as permitted by the local health authority and county judge, and will adjust this operating plan as necessary with conditions in the county.
4. Recognizing that each county of the state of Texas is different in its makeup and experiences, including the extent to which the covid-19 pandemic has impacted each county, and that Scurry County has only had four positive cases of covid-19. And, further recognizing that an operating plan should be tailored to the needs and abilities of each county to address the covid-19 pandemic, the judges of the 132nd District Court and the County Court of Scurry County have adopted this Covid-19 Operating Plan for the Scurry County Judiciary.
5. In accordance with the Office of Court Administration guidance, Judges will begin setting non-essential in-person proceedings no sooner than June 1, 2020 unless authorized to do so by the Governor of the State of Texas or the Texas Supreme Court/Court of Criminal Appeals.

Judge and Court Staff Health

1. Judges and court staff who can perform the essential functions of their job remotely will telework when possible.
2. Judge and Court Staff Monitoring Requirements: Since the Court Staff consists only of the Judge, Court Reporter and Court Coordinator, monitoring will be accomplished daily;
3. Judges or court staff who feel feverish or have measured temperatures equal to or greater than 99.6°F, or with new or worsening signs or symptoms of COVID-19 such as cough, shortness of breath or difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, loss of taste or smell, diarrhea, or having known close contact with a person who is confirmed to have COVID-19 will not enter the building and should seek medical advice.

1. The only two courts in the Scurry County Courthouse are the 132nd District Court and the Scurry County Court. The judges of these two courts will coordinate scheduling of any in-person proceeding to reduce the number of people in the courthouse at one time.

Vulnerable Populations

1. Individuals who are over age 65 and individuals with serious underlying health conditions, such as high blood pressure, chronic lung disease, diabetes, obesity, asthma, and those whose immune systems are compromised such as by chemotherapy for cancer or other conditions requiring such therapy are considered to be vulnerable populations.
2. Vulnerable individuals will be informed of the risks associated with contracting covid-19 and the need to protect themselves with appropriate face coverings, social distancing and reminders of best hygiene protocols by signage posted on passage ways that lead to the two courtrooms that exist in the courthouse.
3. Since the 132nd District Court does not have a website, this Covid-19 Operating Plan will be posted on the Scurry County web page, if permitted by the Scurry County Judge.
4. Vulnerable populations who are scheduled for court will be accommodated by providing any necessary protective equipment or by postponement to a later date. Postponement of scheduled appearances of litigants, subpoenaed witnesses and attorneys may be permitted on a case by case basis. Vulnerable individuals will be permitted, to the extent possible, to participate in proceedings by remote video technology. Vulnerable individuals who merely want to participate as spectators at in person proceedings will be strongly encouraged to not do so.
