

COVID-19 Operating Plan for the City of Stinnett Judiciary

Recognizing the need to ensure the health and safety of litigants, attorneys, visitors, court staff, judge, and other individuals entering the building housing the court, the court of City of Stinnett will implement the following protective measures:

General

All judges will comply with the Emergency Orders issued by the Supreme Court of Texas and Court of Criminal Appeals, including conducting in-person proceedings according to the guidance issued by the Office of Court Administration regarding social distancing, maximum group size, and other restrictions and precautions.
2. All judges will use all reasonable efforts to conduct proceedings remotely.
3. The presiding judge of the municipal court will maintain regular communication with the local health authority and mayor and adjust this operating plan as necessary with conditions in the city.
4. Judges will begin setting non-essential in-person proceedings no sooner than July 1, 2020

Judge and Court Staff Health

1. Judges and court staff who can perform the essential functions of their job remotely will telework when possible.
2. Judge and Court Staff Monitoring Requirements: All staff will self-monitor and will immediately report symptoms or exposure to his/her supervisor.
3. Judges or court staff who feel feverish or have measured temperatures equal to or greater than 99.6°F, or with new or worsening signs or symptoms of COVID-19 such as cough, shortness of breath or difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, loss of taste or smell, diarrhea, or having known close contact with a person who is confirmed to have COVID-19 will not be permitted to enter the building and should seek medical advice.
4. Judges and court staff may wear face coverings, and will practice social distancing, and practice appropriate hygiene recommendations at all time.
5. Protective Measures: Frequent hand washing is required, and hand sanitizer is strategically located throughout the workplace.

Scheduling

1. The following court schedules are established to reduce occupancy in the court building:
Due to our court being a low volume court our court will continue to be once a month. We will maintain occupancy of no more than 5 of the courtroom capacity.

Hygiene

1. Hand sanitizer dispensers have been placed at the customer service window and outside of the courtroom.
2. Tissues have been placed near the door of the courtroom, at counsel tables.
3. The Department of State Health Service's "Stop the Spread of Germs Flyer" has been posted in multiple locations on each floor of the court building.

Screening

1. When individuals attempt to enter the court building, court security staff will ask the individuals if they are feeling feverish; have a cough, shortness of breath, or difficulty breathing; or have been in close contact with a person who is confirmed to have COVID-19. Individuals who indicate yes to any of these questions will be refused admittance to the court building.
2. Inmates being transported from the jail to the court building will be screened for symptoms of COVID-19 and have their temperature taken prior to transport. Inmates with symptoms or a temperature equal to or above 99.6°F will not be transported to the court building.
3. Staff who are screening individuals entering the court building will be provided personal protective equipment, including face mask and gloves.

Face Coverings

1. All individuals entering the court building may wear face coverings.
2. Individuals will be encouraged to bring cloth face coverings with them, but if the individual does not have a cloth face covering, a disposable face mask will be provided.

Cleaning

1. Court building cleaning staff will clean the common areas of the court building so that common spaces are cleaned as needed.
2. Court building cleaning staff have been provided cleaning supplies shown to be effective with this coronavirus.
3. Court building cleaning staff have been trained on proper cleaning techniques and provided appropriate personal protective equipment.

In developing the plan, I consulted with the local health authority and mayor, documentation of which is attached to this plan. I will ensure that the judges of courts with courtrooms in the building covered by this Operating Plan conduct proceedings consistent with the plan.

Vulnerable Populations

1. Individuals who are over age 65 and individuals with serious underlying health conditions, such as high blood pressure, chronic lung disease, diabetes, obesity, asthma, and those whose immune systems are compromised such as by chemotherapy for cancer or other conditions requiring such therapy are considered to be vulnerable populations.
2. Each judge will include information on orders setting hearings, dockets notices, and in other communications notifying individuals who are in vulnerable populations of the ability to contact the court to identify themselves as a vulnerable individual and receive accommodations. A notice with this information will be posted on the courts' web sites and in conspicuous locations around the court building (a copy of which is attached).
3. Vulnerable populations who are scheduled for court will be accommodated by mail or remotely.

Social Distancing

1. All persons not from the same household who are permitted in the court building will be required to maintain adequate social distancing of at least 6 feet.
2. Each restroom has been evaluated to determine the appropriate capacity to ensure social distancing and the maximum capacity has been posted on each restroom door.
3. Public common areas, including breakrooms and snack rooms, have been closed to the public.

Gallery

5. The maximum number of persons permitted in the gallery of each courtroom has been determined and posted. The maximum capacity of the courtroom will be monitored and enforced by court staff.
6. The gallery of the courtroom has been marked to identify appropriate social distancing in the seating. Seating is limited to every other row.

Well

7. In each courtroom, the counsel tables, witness stand, judge's bench, clerk and bailiff seating have been arranged in such a way so that there is social distancing of at least 6 feet between each space.
