

BEXAR COUNTY CRIMINAL INVESTIGATION LABORATORY

7337 Louis Pasteur
San Antonio, Texas 78229-4565
Office: (210) 335-4150
gfoster@bexar.org

Garon Foster supervises the Forensic Serology / DNA section at the Bexar County Criminal Investigation Laboratory in San Antonio, Texas. He graduated with a Bachelor of Arts in Zoology from the University of Texas at Austin (1992) and a Master of Science in Forensic Science from the University of Alabama at Birmingham (1994). He has been performing forensic DNA analysis at the Bexar County Criminal Investigation Laboratory since 1994 and has testified in State and Federal court approximately one hundred and fifty (150) times.

Mr. Foster is licensed in the State of Texas as a Forensic Biology / DNA Analyst, certified as a Molecular Biology Technical Specialist with the American Board of Criminalistics, and is former adjunct faculty at the University of Texas at San Antonio. He is an active member of the International Society for Forensic Genetics, American Academy of Forensic Science, Southwestern Association of Forensic Science, and the Association of Forensic DNA Analysts and Administrators.

Mr. Foster and his wife have two grown children. The oldest is a sailor in the US Navy and the youngest is a senior at UT Austin (Hook 'em!). When not hiking or tinkering with motorcycles in the garage, Garon and his wife are planning for their next motorcycle adventure ride through Central and South America.
