24-0022 IN RE MICHAEL C. ENGELHART; 14th Court of Appeals District (14-24-00015-CV)

relator's emergency motion for temporary relief dismissed as moot

As the court of appeals correctly explained, relator's serious claims turn on disputes of material fact, which cannot be resolved through a mandamus proceeding. The denial of mandamus does not preclude relator from pursuing relief in a proper forum, to the extent one is or remains available.
