

Texas Office of Court Administration Approved Vendor List for the Issuance of Remote Marriage Licenses

Updated August 2025

Pursuant to Section 71.039 of the Texas Government Code, the Texas Judicial Council, in consultation with the Department of State Health Services, by rule shall develop and implement a voluntary certification process under which a county clerk may be certified to issue a marriage license to applicants through the use of remote technology in accordance with procedures adopted by the council. The procedures adopted by the council must ensure sufficient verification of each applicant's age and identity to prevent fraud.

The Texas Office of Court Administration has pre-approved the following vendors to provide services to Texas Clerk's Office to issue marriage licenses remotely:

- Fidler Technologies, Inc.
- GovOS
- Tyler Technologies, Inc.
